*A weekly prayer guide and a point of agreement so we can all speak the same thing*

### **Message...**

Never stop making yourself available to God to pray His perfect will in the earth. We are in a pivotal moment in American and world history. Now, more than ever before, it is important that we stand together as believers and pray for one another and our nation. An attack against *one* is an attack against *all*. The devil sends attacks from the outside, but he is also good at weakening the Body by pitting us against each other. If we will yield to the Spirit and not the flesh, keep our hearts right with God, walk in the love of God, and pray for all, then God will move mightily on our behalf and His plan and purpose will be done in our lives, in our nation, and in the earth!

### **Scripture – I John 5:4**
